YOUR VOTE THIS PRIMARY IS VITAL

We are local guys & Dads that have united to say *enough*.

We have jobs, kids, church, sports and don't have time for potholes, budgets, & political crap.

Now, we are making the time.

The last couple months revealed our leaders lacked the will to fight when the moment came to protect our kids from sexually explicit materials found in our public library.

We have no patience for policy or tax dollars **hurting kids**.

We need your vote in the Republican Primary on May 16 - one ballot vote AND two write in votes.

Strength, Grace & Peace,
Claudio, Bob & Luke

The Basic Problem

THIS DOESN'T HAVE TO BE THIS HARD.

A report submitted by Councilman Jacobus to Telford Borough Council revealed obscene narratives and images in materials that are in our public library.

Guides that “facilitate sex trafficking” through obscene “how to” sex narratives aimed at minors were found – subsidized by your tax dollars and allowed by a loophole in the law.

This Library Loophole report concluded with recommendations to suspend funding until they cleaned up their act. Essentially “*knock it off - these are our kids*”.

In the American tradition, legislatures hold “the power of the purse”. If you get tax dollars, do something bad and refuse to cut it out, no more funding. Pretty simple.

(Get a copy of the report at LibraryLoophole.com - **but keep it away from the kids - its pretty bad**)
