**FOUGHT TAXPAYER SUBSIDIZED
OBSCENITY IN OUR LIBRARY.**

GRIEVED THE OTHER REPUBLICANS DID NOTHING.

SEND REINFORCEMENTS.

The Basic Problem

THIS DOESN'T HAVE TO BE THIS HARD.

A report submitted by Councilman Jacobus to Telford Borough Council revealed obscene narratives and images in materials that are in our public library.

Guides that “facilitate sex trafficking” through obscene “how to” sex narratives aimed at minors were found – subsidized by your tax dollars and allowed by a loophole in the law.

This Library Loophole report concluded with recommendations to suspend funding until they cleaned up their act. Essentially “*knock it off - these are our kids*”.

In the American tradition, legislatures hold “the power of the purse”. If you get tax dollars, do something bad and refuse to cut it out, no more funding. Pretty simple.

(Get a copy of the report at LibraryLoophole.com - **but keep it away from the kids - its pretty bad**)

Telford Tough Team

“The only thing necessary for the triumph of evil is for good men to do nothing.”

HELP US DO SOMETHING.

Luke Zeigler
Landscape Business Owner

My name is Luke Zeigler. I am a Telford native, born and raised.

I currently live in the Telford borough and own my own landscaping business Lukescapes LLC. I am running for Telford Borough Council as a Write-In candidate to promote conservative values and support the services and infrastructure that keep it safe and thriving.

As a Christian I believe we need sound moral principles to guide our policies and law for the people of Telford – especially when it comes to protecting our children. Tough leaders help prevent tough times, and together with the other Telford Tough members, we will keep our borough in good shape and good hands!

Claudio Sanchez
Public Works

My name is Jose Claudio Sanchez. I've lived in this area for 30 years. I'm a native of Costa Rica, moving here to attend school and later college. I became a US citizen in 2009 and have worked in Public Works for almost 15 years, serving townships in Montgomery County. My wife, 2 daughters and I reside in Telford. They are the reason I'm running for Council.

We all have limits. I think we've reached ours.

The readily accessible sexual explicit materials available at the library, as well as the Library Loophole are concerning. This is not acceptable for our Christian household or for any innocent child who frequents the library. Something is very wrong with this and it needs to be addressed. I'm open to conversations and ready to fight for our children.

Robert Jacobus
Author, Business Owner & Non-Profit Management

Starting on the news desk at CBS, Bob has followed multiple career paths that has taken him around the world shooting and directing documentary video on everything from California wildfires through AIDS orphans in Africa to the heroes and villains of the Protestant Reformation in Europe.

He has founded companies & worked in various non profit ministries, non-profit financial services, and provided communication, production and management services for Fortune 500 companies, with a latter focus on various medical societies & physician groups.

Capitalizing on his media background and 20 years of study, Bob wrote *Foretold - QuickShare Edition* – an analysis of the predictions of the Bible that target nations, races, and places that can be tested on camera today.
